

New Weatherization Income Guidelines

You may be eligible!

Weatherization services can help *reduce heating costs* by:

- ❖ Caulking to seal cracks in walls, ceilings, and foundations and weather stripping around doors and windows.
- ❖ Repairing or replacing damaged windows or doors.
- ❖ Adding attic, wall or foundation insulation.
- ❖ Furnace replacement or repair on eligible units.
- ❖ Heating system tune-ups and safety checks.
- ❖ Insulating water lines and heat ducts.
- ❖ Pressure diagnostics of the home.
- ❖ Infrared analyses to determine heat loss or gain and moisture problems.

2009 income guidelines are based on *annual gross income* and the number of people in the home.
